

Juan Dela Cruz

Warehouse Supervisor
Quezon City, Philippines | juan.delacruz@example.com | 0900 000 0000

Summary

Warehouse supervisor with six years of experience in inbound and outbound operations, inventory control and team scheduling. Led a team of twelve pickers and packers and cut picking errors by a third through cycle counts.

Experience

Warehouse Supervisor, Sample Freight Depot (2022 to 2026)

- Planned daily picking, packing and dispatch for about 900 orders.
- Ran weekly cycle counts and reconciled stock in the warehouse management system.
- Trained new staff on forklift safety and barcode scanning.

Inventory Clerk, Example Trading Store (2020 to 2022)

- Received deliveries, checked them against purchase orders and logged variances.
- Prepared stock reports in Microsoft Excel for the store manager.

Skills
